

INVITATION

The COMBINE and EMMA projects cordially invite you to join our final conference

BALTIC SEA REGION – FUTURE FORERUNNER IN SUSTAINABLE TRANSPORTS

The conference will be organized virtually on the **21st of June 2021** at **9.30-13.00 CEST**. Join us and our expert panellists to hear more about the results of COMBINE and EMMA Extension projects in strengthening combined transport and enhancing inland navigation in the Baltic Sea Region.

Please find the agenda [here](#) and [register!](#)

WELCOME!
